

Prophetic Word: Pastor Tim gave a prophetic word. There's a push back occurring in the spirit world. Now you've done it! You've declared what I wanted for so long. It is released by the power in the heavenlies! Now you'd done it! You've crossed over the line the enemy had set up on this area. Be prayed up! I see a swarm of ground bees the enemy has released to come against what has been declared and decreed this weekend. Just as in the prayer battle of Daniel, this must happen. They must come. Know this, I am the victor. I wear the victor's crown because I live, you are victorious. Do not fight this battle in the natural. Spend time in prayer. Be prayed up. Be prayed up. Be prayed up. Bees are coming. It will be intense, but the victory will be sweet.
